

Dear Men's All-State Choir Member,

Congratulations! You have been selected to be a part of the 2022 Louisiana-ACDA Men's All State Choir. It is indeed an honor to be selected for this prestigious choir, but along with this honor comes great responsibility. Please read carefully the information below and complete the necessary paperwork for registration.

REGISTRATION FORMS

- Student Medical Release & Permission Form
- Recording Order Form (do not return this form to LA ACDA. Follow ordering instructions on the form)

Completed registration form and fees must be turned in to your choir director before October 7th so that the director may register the student(s) online for the honor choir. Please check with your choir director for clarification as to whom checks need to be made payable.

TUITION

The participant cost for the 2022 All State Choir is \$75.00. This fee covers the conductor's fee, music, equipment rentals, and insurance.

This fee **DOES NOT** cover hotel accommodations or travel costs for All State participants.

Please include payment to your school so your choir teacher can send one check for all participants from one school with the online form they will submit on your behalf. Please check with your choir director concerning this step, and then make sure that he or she has your medical release form before October 14th. Completed registration form and fees must be postmarked by the choir director by October 7th, and received by October 14, 2019. Students who return form after this date will not be eligible to participate in the All-State Choir.

CHAPERONE INFORMATION

Each student is required to have an adult (over 21) chaperone responsible for him at all times outside of rehearsals. LA-ACDA policy requires that chaperones stay with out-of-town students in the hotel room. Students who report to registration without an adult chaperone will not be allowed to participate.

HOTEL RESERVATIONS, PICTURES AND RECORDINGS

Hotel reservations, CD/DVD order forms, and picture order forms are all available on the LA-ACDA website <www.laacda.org>

MUSIC PREPARATION

The LA-ACDA Men's All State Choir has established and maintains a standard of excellence equal to the best All State choirs in the country. As such, it is imperative that you thoroughly prepare your

music in advance. The notes and rhythms of the entire concert program should be learned before you arrive in New Orleans. Rehearsal files are available on the LA-ACDA website. <www.laacda.org> Please number all measures before arriving at the first rehearsal.

NOTE CHECK

The first rehearsal will be a sectional/note check rehearsal. All singers will sing the entire concert repertoire for the clinician, and will be monitored by a panel of choral teachers. If you fail to perform satisfactorily during this note check, you will not be allowed to participate in rehearsals and the performance. We will ask your chaperone to bring you home and you will forfeit full tuition. It is important that you, your teachers, and your parents understand this fully before you arrive in New Orleans. There is no reason to be concerned about the note check if you put forth an honest effort to learn your music thoroughly. You have proven yourself an All State caliber singer on the audition recording.

WHAT TO BRING
